Editorial

From the Desk of
Dr. Anitha D.

Dear senior members of IMA, colleagues and esteemed IMA members,

!!! Happy New Year -2026 to you!!!

Congratulations to all the Awardees!!!

Wish you all happy new year -2026 and wish everyone of you the best health, very happy to know that our IMA KSB office bearers and IMA members from Karnataka have been recognized by National IMA Hqrs., for their immense contribution to welfare of IMA and been awarded in the recent NATCON 2025 held at Ahmedabad. A big congratulations to all the awardees.

Ensuring the safety of medical doctors in their workplace is essential as they often face various risks.

Workplace violence prevention - Hospital should implement security measures to protect doctors from violent incidents, which can arise from distressed patients or families.

For the betterment of Doctor patient relationship Trust: Trust is a fundamental aspect of the relationship. When patients trust their doctor they are more likely to share information that helps the doctor provide better' care

Ethics: Doctors are expected to act in their patients interests, even when it conflicts with their own. They should treat patients with respect, deal honestly with them, and not to reveal confidences Unless the well being of others is threatened.

Law: The common law recognizes the power imbalance between the doctor and patient and imposes non negotiable duties on the doctor

Important Health days observed Jan 30: World Leprosy Eradication Day. World Leprosy day is observed internationally every year on the last Sunday of January to increase the public awareness of Leprosy or Hansen's disease. This date was chosen by French Humanitarian Raoul Follereau, as a tribute to the life of Mahatma Gandhi, who has compassion for people afflicted with leprosy. The aim of observing the world Leprosy day is to create awareness against the stigma attached to the disease. Theme of world Leprosy Day 2025.

Secretary's Desk

Dr. Suriraju V.

Happy New Year 2026.

May the year ahead bring good health, peace, and prosperity to all.

Over the past two months, IMA-KSB has begun moving decisively in the right direction under the dynamic leadership of our President, Dr. Veerabhadraiah T.A. Subcommittees have been constituted, district coordinators appointed, and a physical meeting of district coordinators and subcommittee members is scheduled on the 4th. During this meeting, several important Government Orders affecting hospitals and doctors will be discussed.

Key issues such as KPMEA, concerns related to death certificates, violence against doctors, and evolving government policies will be deliberated in detail, following which the official stand of the Indian Medical Association will be presented.

NATCON 2025 was a historic event, marking the 100th year of the Indian Medical Association, with participation from over 5,000 delegates from across the country. Important deliberations were held on issues such as the proposed online job portal for doctors, PM-JAY insurance, and the implications of foreign direct investment (FDI) in Indian hospitals.

I extend my heartfelt congratulations to all awardees from Karnataka—Dr. Krishna G. Kulkarni, Dr. Shivakumar F. Kumbar, Dr. Suresh Kagalkar, Dr. Anuradha Paramesh, Dr. Shantala Girish, Dr. Pradeep Prabhakar, IMA Yelahanka for the Best Monthly Newsletter (Dr. Praveen Ramachandra), and IMA Shimoga, represented

by Dr. Sridhar and Dr. Vinaya Prasad, which received the Best Branch Award. I also appreciate the key contributions of Dr. G. B. Bidinahal and Dr. Rajashekhar, Bellary, whose efforts brought pride to IMA-KSB through these achievements. Receiving these honours at the historic 100th National Conference makes them particularly special and memorable.

I am deeply honoured to have received the Best Honorary Secretary Award at this landmark conference. I express my sincere gratitude to Dr. V.V. Chiniwalar, Immediate Past President, and to all IMA-KSB leaders and members for their guidance, trust, and unwavering support over the past year.

Several challenges remain, including the pending Government Order related to Fire NOC, which we are closely following up with the concerned authorities. On the demand of IMA-KSB, the Health Department has issued a provision for provisional KPMEA registration. I request all eligible establishments—especially those completing five years and due for renewal to utilise this provision to ensure the smooth and uninterrupted functioning of hospitals.

As we enter the year 2026, we plan to work with renewed commitment for the betterment of healthcare delivery to society and the welfare of doctors.

Let us continue to work together with unity, determination, and purpose to bring meaningful change and make a lasting difference for the medical fraternity.

Jai Hind!

Jai Karnataka!

Long live IMA!

Vice-President's Message!

Dr. Rajni S.

Dear esteemed members of IMA Karnataka State, greetings from IMA-KSB.

I wish you all a happy and prosperous new year 2026. I take this opportunity to express my heartfelt thanks to each one of you for giving me the privilege to serve as the women Vice-President IMA Karnataka State Branch under the leadership of president of IMA-KSB, Dr. Veerabhadraiah T.A and Hon Secretary Dr. Suriraju V, Treasurer Dr. K.G. Shankaranarayana, past President Dr. V.V. Chiniwalar and all the Vice Presidents for the current year.

I request all Divisional coordinators, District representatives and concerned branch presidents and secretaries and office bearers to attend the coordinators meet hosted by IMA State Branch to be held on 04.01.2026, Sunday at 2 pm at IMA-KSB Dr. M.A. Narasimhachar

Auditorium, IMA House, Bengaluru.

In the month of November, IMA-KSB State level Tennis tournament was hosted by IMA Dharwad branch. I had participated in the event. It was a great success. On December 12 to 14, IMA-KSB Doctor's League-2025 Swarna cup cricket tournament was hosted by IMA Hubballi. Here, I participated with my team, Davangere Dazzlers. The tournament was a huge success.

I request all the honorable IMA members to initiate all the local branches to become members of IMA health schemes. IMA KPPS and IMA KSSS to help our doctors at the time of crisis.

I wish all the esteemed members good health and happiness in all their future endeavors.

Thank you all

Jai Hind!

Jai Karnataka!

Long live IMA!

On 06.12.2025 CME programme was conducted. Eminent Psychiatrist Dr N M Patil delivered highly informative sessions on the following topics : * BURNOUT IN DOCTORS, * DELIRIUM, *ADHD. BURNOUT IN DOCTORS - causes, early warning signs and practical coping strategies for private practitioners and hospital based doctors. DELIRIUM - Quick bedside identification, red flag features and effective management protocols. ADHD - Updated understanding of symptoms across age groups and simplified approaches to diagnosis and treatment. The session was insightful and interactive and very relevant to day to day clinical practice. Memorandum given to Dysp Mr. Prashant Munnoli on 15th December asking immediate action against the violent relatives. Previous day after the incidence, that's on 14.12.2025, an emergency meeting was called at our IMA to decide the Further plan of action. So after discussing with the senior members of our IMA and with Dr.Shivkumar F. Kumbar Sir ,FIR was lodged at the local police station and urged to take action as per the section 3, 4 and 5 of Karnataka medicare services personal protection act. Dysp Sir assured us of full cooperation and the same day evening, based on the CCTV footage, one of the accused was identified and arrested. He assured us of further investigation at the earliest. Following this, the next day that's on 16th December, with the permission of Dysp and Tahsildar, a huge protest rally was conducted through our the main crowded streets of ATHANI, with the intention to create public awareness About the Karnataka medicare services personal protection act. The rally was conducted in association with Ayush doctors association, pharmacy association, lab technician association, nursing College students and the hospital staff. It ended with handing over the memorandum to the DYSP AND TAHSILDAR. We got a good coverage from media people. With the thought that only one day rally is not enough, we need to put more efforts for making general public awareness About the safety of doctors for good patient care.

During the month of December, IMA Tumakuru dedicated its activities towards HIV/AIDS awareness in the community. In collaboration with the District Hospital and the Regional Headquarters for AIDS Control, we organized a walkathon and street plays to educate and sensitize the general public. To maximize community outreach and impact, several local NGOs, community leaders, and local clubs were actively involved. Additionally, targeted Information, Education, and Communication (IEC) activities were conducted using mass media at strategic locations such as bus stands and public schools, ensuring wider dissemination of key messages. Immunisation drive and awareness for polio drops were also included in our activities. These initiatives were the result of the collective efforts of IMA Tumakuru members, reflecting our commitment to community health promotion.
