# Editorial

From the Desk of  
**Prof. Dr. S.M. Prasad**

Dear Senior Members, Colleague and friends,

***!!Greetings from the Editorial committee!!***

***Wish you all happy Doctors day***

On behalf of the Editorial committee, I congratulate all our esteemed IMA KSB Doctor's day -2025 awardees. Though it was a herculean task of short listing by the awards committee due to exemplary works done by the applicants. Our State working committee graciously took the decisions of awarding on doctor's day on July 1st, 2025 at Dr. Basavarajendra Auditorium, BMCRI Campus, and Bangalore.

This month we are very unfortunate to loose many of upcoming doctors and medical students in Ahmedabad due to the flight accident, a terrifying accident. It still remain in all our minds and cannot forget in our lifetime. The dreams of becoming a medical professional to serve the humanity shattered due to unforeseen event. "Rest their soul in peace". We pray almighty to give strength to bereaved parents and families.

Now, the time has come for us to continue our WHO health awareness days and every IMA branch has the potential to work and service to the community at the full extent. All our IMA branches have to gear up by more activities of the branch & documenting for future awards by IMA KSB both for this year Teacher's day & MEDICON 2025 awards.

It is shocking to know that many heart attacks have been encountered in the last 40 days in one particular district of Hassan. It has caused too much alarm to medical professional, policy makers and public at large. Sudden heart attacks among young people are a growing concern, and recent studies in India have shed light on the complex mix of factors behind this alarming trend. Here's a breakdown of the key causes:-

**Genetic and Medical factors:** Inherited heart conditions like Long QT syndrome, Brugada syndrome, and hypertrophic cardiomyopathy can disrupt heart rhythms. Undiagnosed structural defects or coronary artery anomalies may silently increase risk. Post-COVID complications in some cases have been linked to increased cardiac vulnerability.

Lifestyle and behavioral triggers: Chronic stress from work, social pressure, and digital overload can elevate blood pressure and inflammation. Smoking, alcohol and recreational drug use damage blood vessels and raise heart rate dangerously. Poor diet—especially processed foods high in sugar and Trans fats—contributes to plaque buildup. Lack of sleep disrupts hormonal balance and increases risk of diabetes and hypertension. Sedentary habits and overtraining without rest can strain the heart.

**Fitness steps:** Excessive gym supplements and intense workouts without proper recovery may trigger cardiac events. Focus on appearance over cardiovascular health can lead to neglect

of heart-friendly exercises like walking or yoga.

It is also interesting to know that ICMR and NCDC conducted nationwide studies and found no direct link between COVID-19 vaccines and sudden deaths in young adults. Instead, they emphasized lifestyle, genetics and pre-existing conditions as primary contributors. Definitely we need to rule out possibility of the previous covid vaccines administered by those studies and also long back they were administered.

We need to enroll more and more of our medical colleague & our alumni friends in Karnataka to become IMA life memberships as many still aware of innumerable advantages of becoming an IMA life member.

**Dr. V.V. Chiniwalar**

**Dear Colleagues**

***Wish you all happy Doctors day.***

On 1st of July IMA KSB celebrated the Doctors day by honoring 14 eminent Doctors including 4 women from various parts of Karnataka.

Sri Dinesh Gundurao honourable Minister for Health & Family Welfare, Dr. Justice Ashok B Hinchigeri Chairman Law Commissioner Karnataka, Dr N T Srinivas MLA Kudligi were the guests for this occasion. The programme was meticulously organized and executed perfectly. Everyone appreciated.

On 07/06/2025 the newly constructed building of IMA MANDYA was inaugurated by 3 eminent Mahaswamigalu-

1. Sri Sri Sri Suttur Deshikendra Mahaswamigalu Sutturmath
2. Sri Sri Sri Dr Nirmalanandanatha Mahaswamigalu Adichunchanagiri
3. Sri Sri Sri Siddalinga Mahaswamigalu Siddaganga math Tumakuru.

The building was constructed on Bengaluru-Mysuru Express Highway with a well planned.

The hospital at Maski town was sealed by DHO due to the Maternal Death because of attacks by mob was resolved and hospital seal was opened after the interference of IMA KSB. This is the STRENGTH OF IMA.

IMA National Hq and IMA KSB strongly opposed the move of CENTRAL GOVERNMENT to start course ie MIXOPATHY- MBBS + BAMS. The Doctors who come out with this degree neither trained totally in Allopathy or Ayurvedic so difficult for them to practice. They will not be perfect in any of the systems. So the Central Government should take back this project.

On 14th & 15th June there was MEDICO LEGAL CONFERENCE at Gadag conducted by IMA Gadag one of its kind in the history of IMA KSB. It was well conducted with good topics & Speakers. Congratulations to Dr Pavan Patil and his team.

This month I visited the following branches Chitradurga, Holalkere, Bhadravathi, Shivamogga, Honnali, Harihara, Shikaripur, Sagar and Sirsi along with Dr Malavegowda, Dr KN Madhusudhan, Dr Kotturesh Dr Vani Kori.

State Working Committee meeting was held at SIRSI on 22/06/2025. It was well organised by IMA SIRSI branch. Congratulations to Dr Krishnamurthy & Dr Dinesh Hegde. It was an unfortunate incident of plane crash at Ahmedabad killing 240 passengers and 5 medical college students. Let their souls be rest in peace.

## Secretary's Message

*Dr. Suriraju V.*

### ***Happy National Doctors' Day 2025!***

I would like to take this opportunity to express my deep appreciation and share a few reflections on recent impactful events led by the Indian Medical Association – Karnataka State Branch (IMA KSB).

First and foremost, IMA KSB has been actively involved in addressing various pressing issues - from the Maski incident to Mixopathy. The recent SWC meeting at Sirsi was exceptionally well organized. I must acknowledge the commendable efforts of IMA Sirsi, including the development of their own building, establishment of a blood bank, continuing medical education (CME) activities, and various social service initiatives. Among the leaders, Dr. Dinesh Hegde stands out as a dedicated figure whose leadership continues to inspire many IMA branches across the state.

The medico-legal conference at Gadag, held under the leadership of Dr. Pavan Patil, was truly outstanding. It highlighted the need for more such CMEs and conferences to enhance doctors' medico-legal awareness. In today's evolving landscape, legal literacy is essential for doctors to ensure self-protection, alongside subject expertise and clinical skills.

The theme of this year's National Doctors' Day - "Behind the Mask: Who Heals the Healer" aptly emphasizes the importance of doctors caring for their own health and well-being. It reminds us all that to care for others effectively, we must also prioritize rest, mental health, and personal balance.

The Doctors' Day celebration was conducted in a grand and inspiring manner by IMA KSB under the able leadership of Dr. V.V. Chiniwalar, President of IMA KSB. I cannot refrain from appreciating Dr. Madhusudhan Kariganur, Dr. Shankarnarayan, Dr. Madhushankar, and many others whose untiring efforts and behind-the-scenes contributions were instrumental in making the event a resounding success.

I extend my heartfelt congratulations to all the awardees who were recognized for their exemplary service across villages, taluks, districts, literature, and other domains. The selection of awardees was widely appreciated, as each award truly reached the most deserving. Special appreciation goes to the award committee, chaired by Dr. Soumya Sharan, whose fair and transparent judgment received unanimous approval at the SWC meeting in Sirsi.

The event truly felt like a Doctors' Festival — full of enthusiasm, unity, and pride. We were deeply honored by the presence of several distinguished guests:

Hon'ble Health Minister Sri Dinesh Gundu Rao, Dr. Justice Ashok B. Hinchigeri (Chairman, Karnataka Law Commission), Dr. N.T. Srinivas, MLA Kudligi and practicing ophthalmologist.

Their participation added immense value to the occasion.

IMA KSB wisely utilized this gathering to spotlight ongoing challenges faced by clinics and hospitals — including Fire NOC issues,

KPMEA license renewals, and more. I Thank media friends for wide coverage, Such platforms are essential for voicing concerns and working collaboratively toward meaningful resolutions.

The overwhelming attendance of more than 350 doctors filled our hearts with joy and pride. The celebration was a fitting tribute to Dr. B.C. Roy, whose legendary contributions continue to guide and inspire the medical community. Let us all imbibe his noble values, serve with compassion, and never forget to care for our own health and well-being.

**Jai Hind!**

**Jai Karnataka!**

**Long live IMA!**

## Vice President's Message

**Dr. R.N. Malave Gowda**

**Dear Esteemed Members,**

!!Greetings from IMA Karnataka State Branch!!

As a team for current year, we are in second half of our tenure. As done in the past, we have

Continued to visit the local branches. At each branch we listened to the members' issues and propagated the activities of IMA at large and benefit to the member through the association and requested to strengthen the primary membership and schemes membership. Happy to share that IMA Gadag Branch under the leadership of Dr. Pavankumar Patil and team conducted Medico-legal conference on 14th and 15th June, 2025 under the aegis of IMA-KSB. It was well attended by members physically and virtually and well appreciated. All speakers spoke well and covered almost all Medico-legal issues. The conduct of "MUTE COURT" by Dr. Jogarao and team was excellent and well appreciated. In this regard, I congratulate Dr. Pavankumar Patil, Dr. G. B. Bidinahal sir and other organizing team personally and on behalf of IMA-KSB.

Recorded version of Medico-Legal Conference is available on the Youtube for those who

missed it. Kindly go through it as it is useful in our day to day practice.

Day 2. [https://you tub.com/live/s\\_p3qsRxmng](https://you tub.com/live/s_p3qsRxmng)

Other programs, I would like to highlight is the 886th State Working Committee Meet at Sirsi

With "Mixed Basket CME" held on 22 nd June 2025. In this regard, I congratulate Dr. Krishnamurthy, President, IMA Sirsi Branch and CME organizing Chairman Dr. Dinesh Hegde and organizing team for the grand success of the same. Their hospitality was super and well appreciated. On this occasion Dr. Y. C. Yogananda Reddy Sir, spoke on importance of KMC a link between doctors and public, and Dr. Pavankumr Patil spoke on the proceedings of any case / dispute against doctor at KMC, it was very useful. At last I request all the esteemed members of IMA across Karnataka to participate in 81 st

MEDICON-2025 (KISHKINDA) to be held at Gangavathi on 24th, 25th and 26th October 2025.
