Secretary's Desk!

Dr. Suriraju V.

Dear Members,

Greetings from IMA Karnataka State Branch.

It is heartening to witness the inspiring developments across our state. IMA Yadgiri deserves congratulations for the generous donation of one acre of land in memory of Dr. Veerabasanta Reddy, former MLA, who was both a committed doctor and a dedicated public servant. This noble gesture will significantly strengthen IMA activities in the region. I congratulate the family and IMA Yadgiri, and I am confident that this contribution will be effectively utilized for the betterment of society and the medical fraternity.

I also congratulate IMA Chikkaballapur for the Bhoomi Pooja of their new IMA building. Their unity, hard work, and dedication towards the association are truly commendable.

IMA Koppa, though a small branch, has set a remarkable example by constructing its own building. It stands as an inspiration for many branches to follow. The recent State Council Meeting (SCM) held there was highly productive, with important decisions taken regarding the State IMA Conference, Ladies Wing, AMS, Kannada Vaidya Bharathagara, JDN, and IMA CGP. I wish success to all the above initiatives and encourage members to actively participate and register.

IMA Shivamogga is preparing for MEDICON,

and I request all members to register in maximum numbers and make it a grand success. It is one of the most active and vibrant branches. I thank all members who attended the SCM in large numbers and made it a grand success.

We also welcome the addition of a new vehicle to support IMA activities. I request all members to actively promote the membership drive, as IMA National HQ has extended the deadline by 15 days upon request from branches. Kindly utilize this opportunity effectively.

Further, the National HQ Building Fund is our collective responsibility. I urge all members to contribute generously towards making the dream IMA building a reality.

Special congratulations to Dr. Sulochana Chiniwalar and Dr. V.V. Chiniwalar for their remarkable contributions, including their generous donation of ₹3 lakh towards the building and vehicle. Their noble gesture is truly inspiring.

IMA KSB has also announced the submission of the list of Best Doctors from respective branches for Doctors' Day. This is a very prestigious award—kindly ensure that deserving candidates are nominated and submissions are sent before the deadline.

Let us continue to work together with commitment and unity to strengthen our association.

Jai Hind!

Jai Karnataka!

Long live IMA!

Vice-President's Message!

Dr. Vijayakumar S. Kappikeri

Dear Esteemed Members,

Greetings from IMA.

I am happy to note that the membership drive with special discounts up to 30th April has generated encouraging interest. I sincerely hope that many new members have joined the IMA family, further strengthening our collective voice. I request all members to continue motivating colleagues to be part of this strong and unified organization.

I also urge every member to actively avail the benefits of IMA welfare schemes—IMA SSS, IMA KPSS, and IMA KSHS. These schemes are pillars of support for our professional and personal security.

With the intense summer, especially across North Karnataka, it becomes our responsibility to promote public health awareness on sunstroke and heat-related illnesses. I request

all branches to organize awareness programs to educate the community on prevention, early recognition, and timely management.

It is encouraging to see several branches conducting HPV vaccination programs, contributing significantly to preventive healthcare. I urge all branches to continue these efforts and expand their reach.

I extend my best wishes for the successful conduct of the SWC Committee Meeting at Koppa and congratulate the IMA Koppa Branch for organizing this important gathering.

I firmly believe that every IMA branch should strive to have its own building and office, enhancing its identity and service capacity. In this regard, I express my heartfelt gratitude to Dr. Sangamma Veerbasvantreddy Mudnal and Dr. Basavaraj Narasanagi for their generous donation of one acre of land to IMA Yadgir.

Jai Hind!

Jai Karnataka!

Long live IMA!
