Secretary's Desk!

Dr. Suriraju V.

Dear IMA Members,

It gives me immense pleasure to share some of the important activities and upcoming events of IMA Karnataka State Branch.

The 80th Independence Day was celebrated with great pride and patriotic spirit, reminding us of our responsibility as doctors towards building a healthier and stronger nation.

I was delighted to attend the 7th Kannada Vaidya Barahagarara Sammelana, which was conducted successfully. Hearty congratulations to the entire organising team. I was particularly impressed by the tremendous interest shown by our doctors in writing books and contributing to Kannada medical literature. Such initiatives help take medical knowledge closer to the public in their own language and enrich Kannada medical literature.

Hearty congratulations to the organisers and participants of the IMA-KSB Dr.Somanna Memorial Badminton Tournament for making it a grand success. Such sporting activities promote friendship, fellowship, fitness and unity among IMA members.

I also heartily congratulate all the IMA Teachers' Day Awardees for their outstanding contributions to medical education and their dedicated role in teaching, training and mentoring generations of doctors. Your commitment to shaping young medical minds is truly commendable and an inspiration to the entire medical fraternity.

September will be an important month for our academic activities. I request all our members to register in large numbers for the IMA AMS Conference and CGP Conference and actively participate. Your support will contribute greatly to the success of these academic events and strengthen the spirit of learning and fellowship within IMA.

I also sincerely appeal to all our members to register in large numbers for the 92nd IMA Karnataka State Conference and extend wholehearted support to the organising team. Let us come together in large numbers and make our State Conference a memorable and grand success.

Let us continue to strengthen IMA through unity, active participation, academic excellence and service to society.

Jai Hind!

Jai Karnataka!

Long live IMA!

Vice President's Message

Dr. Vijayakumar S. Kappikeri

My dear IMA members,

I sincerely thank each and every one of you for giving me the opportunity to serve our Doctors Forum as Vice President of IMA Karnataka State Branch for the year 2025–26.

It has been a great experience and a matter of pride for me to be part of IMA Karnataka State Branch. I am thankful to our President, office bearers, branch presidents, secretaries and every IMA member for their support and cooperation throughout the year.

IMA has been carrying out various activities for the welfare of doctors as well as for the public at large. I am very proud to be associated with an organisation that continues to work for the medical profession and society.

I extend my heartfelt congratulations to all the IMA Best Teacher Awardees 2026. Their dedication to teaching and contribution towards medical education is truly appreciable.

I wish great success to all the upcoming IMA programmes, particularly IMA-AMS National Conference at Hubli on 5th and 6th September 2026, IMA-CGP Conference at Bagalkot on 20th September 2026, and IMA Medicon 2026 at Shivamogga from 23rd to 25th October 2026.

I request all our members to attend these programmes in large numbers and make them successful. Such programmes give us an opportunity to meet, learn, share our experiences and strengthen the bond among IMA members.

As my term as Vice President comes to an end, I once again thank the entire IMA family for the trust, support and affection extended to me during this term. I wish the organisation continued growth and success in the years ahead. I also hope that our younger doctors will actively come forward and take up responsibilities in IMA and carry the organisation forward.

Jai Hind!

Jai Karnataka!

Long live IMA!

Davanagere IMA celebrates its Golden Jubilee: *'Wall of Fame' Inaugurated; senior doctors Honored & Felicitated. The Davanagere branch of the Indian Medical Association (IMA) has successfully completed 50 years and is celebrating its Golden Jubilee. As part of the celebrations, the 'Wall of Fame' was inaugurated. The Wall of Fame recognises and commemorates the senior doctors who have made significant

contributions to the medical profession and to the IMA. The Davanagere IMA was established in 1976, with Dr. Y. A. Narayana as its Founder president and Dr. K. L. Nagaraj Shetty as its Founder secretary. The association, which began under their leadership, has now completed five decades of service. Over these 50 years, the Davanagere IMA has made significant contributions to medical services, professional activities and various social and community-oriented programmes. The association has continued to work for the welfare of doctors as well as the health of the public. The Golden Jubilee celebrations were also an occasion to remember the doctors and office-bearers who contributed to the growth of the organisation over the years. Their names and contributions have been commemorated through the 'Wall of Fame'. Among those honoured were: Dr. G. Shivalingappa, Dr. G. Rajashekarappa, Dr. Ravindra Banakar and Dr. K. Siddappa, for their contribution to the organisation. The Programme was Presided by Dr. Binay Kumar Singh, President, & Secretary Dr. Rajesh B.P. The programme was smoothly conducted by office-bearers Dr. Apoorva B.T, Dr. M. B. Siddesh, Dr. Nagarathnamma, Dr. Sanjay, Dr. Ashwin, Dr. Madhu, Dr. Krishna N.H, Dr. Siddalingesh Hiremath and others. The programme was attended by many senior doctors and members of the IMA. The event marked an important milestone in the History of the Davanagere IMA, celebrating five decades of medical service, professional commitment and contribution to society.

The IMA Tumakuru Branch celebrated Doctors' Month throughout July with a series of engaging activities that brought together doctors and their families, fostering camaraderie, wellness, and

community service. Every weekend featured exciting events for members of all age groups. Indoor competitions such as chess, carrom, and UNO provided a fun platform for children and families, while outdoor sporting events including swimming, relay races, track and field activities, and other recreational games encouraged fitness, teamwork, and healthy competition among doctors and their families. The month-long celebrations culminated in a grand finale during the last weekend of July, graced by our esteemed President Dr. Veerabhadraiah as the Chief Guest. The occasion was further honoured by the presence of Dr. N.T. Srinivas, MLA, Kudligi, and Dr. Ranganath, MLA, Kunigal, whose encouragement added to the significance of the event. As part of our commitment to social responsibility, IMA Tumakuru collaborated with AWO NGO to organise a fundraising badminton tournament exclusively for doctors. The funds raised through this initiative were utilised to purchase books and educational materials for underprivileged students and orphaned children, reaffirming the branch's dedication to giving back to society through meaningful service. The month-long celebrations were a resounding success, strengthening the bonds within the medical fraternity while extending the spirit of compassion beyond the profession. IMA Tumakuru remains committed to promoting the well-being of its members and serving the community through impactful initiatives. We had a month long celebration behalf of Doctors day which culminated end of July. We had an evening of cultural events, prizes giveaway and dinner for our members. Later we had interactive discussions with The malaria control program officials from Delhi and WHO. Regarding the control and prevention of malaria. August first week in Association with Shridevi Medical College we organised a Walkathon for Breast feeding Awareness. Also a workshop for Antenatal mothers about Breast Feeding in the primary health care clinic was organised. The much anticipated meeting with our President of Ima KsB Dr Veerabhadraiah was eventful evening as our leaders discussed on various issues including mixopathy. It was indeed a very eventful month.

The Indian Medical Association (IMA), Virajpet Branch, in association with Apollo Hospitals, Mysore, organised a medical meet on 06 August 2026 at The

Yellow Bamboo Resort & Spa. The evening featured two distinguished guest speakers from Apollo Hospitals. Mysore Dr Rajkumar Wadhwa, Chief Gastroenterologist and Dr Nairuthya S, Chief Consultant Gastro Surgeon. Dr Rajkumar Wadhwa conducted an engaging and highly interactive academic session covering a range of paediatric and adult gastroenterology cases, along with discussions related to gastrointestinal endoscopy. The session was structured around clinical case discussions, allowing members of the audience to actively participate and share their perspectives. The interactive nature of the programme resulted in a lively exchange of ideas between the speaker and the attending doctors. The discussion provided valuable insights into the approach to challenging gastrointestinal presentations and the role of endoscopy in diagnosis and management. Dr Nairuthya S, Chief Consultant Gastro Surgeon, delivered an informative session on robotic surgery. He provided an overview of the current role of robotic-assisted surgery and discussed the evolving possibilities and potential future applications of this technology in surgical practice. The session offered the audience an opportunity to understand the present status of robotic surgery while also gaining insight into its likely future role in modern surgical care. The academic meet was a well-received programme that successfully combined clinical case based learning, interactive discussion, gastroenterology, endoscopy and advances in surgical technology. The participation and active engagement of the members contributed significantly to the success of the evening. The Indian Medical Association (IMA), Virajpet Branch, in association with Prerna Hospital, Mysore, organised a scientific meet on 19 August 2026. Prerna Hospital is a specialized centre providing comprehensive neurocare and psychiatric services. The scientific session was held at Spice Rack, Gonikoppal. The scientific programme featured two distinguished speakers from Prerna Hospital Dr. Abhijith H R, Founder & Consultant Neuropsychiatrist and Ms Neha Dechamma, Clinical Psychologist, Prerna Hospital, Mysore. The programme provided an excellent platform for the attending doctors to enhance their understanding of contemporary neuropsychiatric care through an interactive and clinically relevant discussion. Dr Abhijith H R conducted an engaging session focusing on psychiatric medications and neuroplasticity. He discussed the principles behind the use of psychiatric medications and provided insights into their role in the management of various neuropsychiatric conditions. A key feature of the

session was its highly interactive nature. Dr Abhijith encouraged questions and discussion throughout the programme and addressed several practical doubts raised by the attending doctors. The open exchange of ideas made the session particularly relevant to day-to-day clinical practice and helped clarify several commonly encountered issues in neuropsychiatric management. The discussion on neuroplasticity also provided the audience with a better understanding of the brain's ability to adapt and reorganise and its relevance to recovery and therapeutic interventions. Ms Neha Dechamma, Clinical Psychologist, provided the audience with an insight into the process of psychological therapy. Her session explored what a patient can expect when they decide to undergo therapy, including the various stages and intricacies involved in the therapeutic process. She highlighted the importance of understanding the patient's concerns, establishing a therapeutic relationship and tailoring the therapeutic approach to individual needs. The session offered the attending doctors a better perspective on the role of clinical psychology and the practical aspects involved in guiding patients towards appropriate psychological care. The scientific meet was an enriching and interactive academic programme that brought together perspectives from neuropsychiatry and clinical psychology. The sessions by Dr. Abhijith H R and Ms Neha Dechamma provided valuable practical insights into psychiatric medications, neuroplasticity and the process of psychological therapy.
