Editorial

From the Desk of

Dr. Geeta J Doppa

Dear All,

It gives me immense pleasure to present the first edition of IMA Focus for 2026–27, under the leadership of President Dr. Harisha Delanthabettu and the new team of office bearers of IMA KSB.

The recently concluded 92nd MEDICON at Shivamogga was a grand success, with excellent scientific sessions, warm fellowship and a memorable inaugural ceremony graced by Shri U. T. Khader Fareed, Hon'ble Minister for Health and Family Welfare, Government of Karnataka.

I am proud to share, and deeply thankful, that IMA Sullia and its founder President, Dr. K. V. Chidananda, are the **publishing sponsors** of this issue of IMA Focus.

Every year on 10th October, the world pauses to talk about something many of us avoid all year: our minds. World Mental Health Day reminds us that one in eight people lives with a mental health condition, and that most of them suffer in silence.

So here is a question for the profession:

When did we last ask a doctor colleague how they were, and wait for the real answer?

A Year That Gives Mental Health Its Rightful Place

This year the question carries special weight. Our President, Dr. Harisha Delanthabettu, is himself a renowned psychiatrist. For IMA Karnataka, that is more than a coincidence. It is an opportunity to put mental health at the centre of our work, first for our own fraternity and then for the community we serve.

From the Anatomy Hall to the Consultant's Chamber

Medicine is a noble calling, but for many of us it has also become a crucible. Long hours, high stakes and constant public scrutiny have made stress an occupational hazard as real as a needle-stick injury. Yet it is rarely acknowledged, and even more rarely treated.

Where the Pressure Begins

- **MBBS students** face a vast syllabus, relentless examinations, competitive entrance tests and the quiet fear of falling behind, often far from home.
- **Postgraduates** endure 36-hour duties, sleep deprivation, thesis deadlines, a steep hierarchy and the weight of first-line clinical responsibility.
- **Teaching faculty** juggle patient care, lectures, research, publications and regulatory inspections.
- **Government doctors** contend with overcrowded OPDs, scarce resources, frequent transfers and administrative burdens.
- **Private practitioners** carry the financial strain of running a practice, rising patient expectations, fear of litigation and the ever-present threat of violence.

The Silent Toll

Chronic stress rarely announces itself. It surfaces gradually as fatigue, irritability, burnout, anxiety, depression and insomnia. Over time it contributes to hypertension, diabetes, heart disease and substance misuse. Its reach extends far beyond the

individual:

- **Suicides:** despair that goes unspoken can end in the loss of a colleague. Every such loss is a reminder that we failed to notice, and failed to reach out.
- **Strained families and divorces:** when work leaves nothing for home, marriages suffer and distance grows between doctors and the people who love them.
- **Leaving the medical field:** talented young doctors walk away from clinical practice, or from medicine altogether, and society loses their skill.
- **Damaged doctor-patient relationships:** an unsettled mind loses patience and empathy, communicates poorly and invites misunderstanding, complaints and conflict.
- **Medical errors:** fatigue and poor concentration put patient safety at risk.
- **Isolation and substance misuse:** withdrawal from friends and the fraternity, and a quiet reliance on alcohol or sedatives to cope.

Distress among young doctors and students is a growing concern that demands open conversation, not silence.

Prescription for the Prescriber

- Protect your sleep, eat on time and aim for 30 minutes of physical activity most days.
- Practice mindfulness, yoga, meditation or simple breathing exercises. Even ten minutes a day helps.
- Nurture hobbies, friendships and family time beyond the hospital walls.
- Set realistic goals and learn to say no when your plate is full.
- Have your own physician and go for regular health check-ups. Never self-medicate.
- Do not use alcohol, tobacco or sedatives to cope. They add to the burden and never lift it.
- Take your leave and take real breaks. Switch off from calls and messages when you are off duty.
- Stay connected. Call a friend, a batchmate or a mentor regularly, even when you feel too busy.
- Know your warning signs: persistent low mood, irritability, loss of interest, poor sleep and hopelessness.
- Accept that not every patient can be saved. Doing your honest best is enough.
- Check on the colleague who has gone quiet. A single call can matter more than you know.
- Speak up early. Seeking counseling is a sign of strength, not weakness.

What IMA Does for Healing the Healers

As the voice of the profession, IMA is placed to turn concern into action:

- **Safe workplaces:** zero tolerance for violence against doctors.
- **Awareness:** CMEs and workshops on stress, burnout and suicide prevention.
- **Confidential support:** access to counselling and psychiatric care, free of stigma.
- **Peer-support networks:** branch-level groups where doctors can speak openly.
- **Young doctor outreach:** mentorship for students, interns and postgraduates.
- **Better working conditions:** advocacy on duty hours, staffing and workload.
- **Wellness and community:** yoga, fitness and fellowship events, and public messages on early help-seeking.

These efforts deserve more importance. Let us involve ourselves in depth and turn intentions into steady work. Everyone must take part, in offering help and in seeking help.

A Culture Worth Changing

We routinely advise our patients to rest, exercise and seek help when they need it. We follow our own prescription.

Culture does not change through circulars. It changes in corridors and common rooms, in the quiet moment when one doctor turns to another and says, "You don't look yourself today. Talk to me."

Imagine a profession where a postgraduate is not shamed for needing rest after a night duty; where a senior's door is always open to a junior who is struggling; where asking for help is seen as wisdom and not weakness; and where no doctor ever believes that being strong means being alone. That is a culture worth building, and it begins with each one of us.

We spend our lives saving others. Let us not lose our own in the process. The colleague beside you may be carrying a silence heavier than any patient's file. One honest question and one patient ear can be the difference between despair and hope.

Let us check on our colleagues, listen without judgement and make it safe to say, "I am not okay." A healthy doctor is the first step towards a healthy nation.

Jai Hind **Jai Karnataka** **Long Live IMA**

President's Desk

Dr. Harisha Delanthabettu

United in Service, Unwavering in Ethics, Committed to Doctors and Dedicated to Patients.

As I begin my presidential year as President of the Indian Medical Association, Karnataka State Branch (IMA-KSB), I extend my heartfelt gratitude to every member for the trust and confidence reposed in me. I consider this responsibility not merely an honour, but an opportunity to serve our medical fraternity with sincerity, commitment and a strong sense of purpose.

Medicine rests on trust, compassion and professional integrity. IMA-KSB will continue to uphold ethical, evidence-based medical practice, scientific temper, patient safety and continuing medical education. We must preserve the dignity of our profession while strengthening public confidence in modern medicine.

The welfare, dignity and safety of doctors will remain among our foremost priorities. We will work towards effective protection of healthcare professionals against violence, provide support to doctors facing professional challenges, and address the genuine concerns of small and medium hospitals. Simplification of KPMEA procedures, practical implementation of fire-safety regulations, a fair healthcare regulatory framework and constructive engagement with the Government will receive sustained attention. We will also stand firmly against quackery and unauthorised medical practice in the larger interest of patient safety.

I strongly believe that the responsibility of doctors extends far beyond hospitals and clinics. Every IMA branch must become an active partner in community health. I appeal to our branches to adopt government schools and villages wherever feasible and organise programmes focusing on preventive healthcare, nutrition, hygiene, adolescent health, mental well-being and lifestyle-related diseases.

One of our important statewide initiatives will be "ವೈದ್ಯರ ನಡಿಗೆ – ನಶಾಮುಕ್ತ ಸಮಾಜದ ಕಡೆಗೆ". Through this movement, we aim to create awareness about substance-use prevention, early identification, treatment and rehabilitation, particularly among young people. Let us take the message of health and healthy living from our hospitals into schools, colleges and communities.

We must also build an Association that value every generation of doctors. Empowering young doctors, providing meaningful leadership opportunities to women doctors, recognizing the contributions of senior members, and addressing the psychological well-being of medical professionals will be important components of our journey. Digital transformation, stronger membership participation and effective implementation of our welfare schemes will further strengthen our organization.

I sincerely thank the entire MEDICON 2026 organising team, ably led by Dr. K. R. Ravish and Dr. Vinaya Srinivas, Scientific Chair Dr. Shrikanth Hegde, and all those who contributed to making the conference memorable. My gratitude goes to Shri U. T. Khader Fareed, Hon'ble Minister for Health and Family Welfare and Minorities Welfare, Government of Karnataka; our Chief Guest, Dr. Dhananjaya R. Sarji, MLC and Chairman, Sarji Group of Institutions; and Guest of Honour Dr. Nagendra, Managing Director, Subbaiah Group of Institutions, for their encouragement and support.

I extend my heartfelt thanks to Dr. G. K. Ramachandrappa, former National President, IMA, for gracing the occasion on Kannada Rajyotsava Day, 1 November 2026.

I gratefully acknowledge the support and guidance of IMA Bhadravathi, IMA Shivamogga and the entire IMA-KSB leadership, particularly Dr. T. A. Veerabhadraiah, Immediate Past President, IMA-KSB, Dr. Y. C. Yogananda Reddy, Dr. Honnegowda, Dr. Lakkol and Dr. Madhusudhan Kariganuru for their guidance and support.

I extend my best wishes to Dr. Geetha Doppa on assuming her new responsibility as Honorary Editor of IMA Focus.

As we move forward, let us remember that the strength of IMA lies not in its office bearers alone, but in the collective commitment of every member. Let us work together with unity as our strength, ethics as our guide and service as our mission.

Together, let us make 2026–27 a year of meaningful reforms, professional solidarity and compassionate service.

With warm regards,

Jai Hind! **Jai Karnataka!** **Long live IMA!**

Secretary's Desk

Dr. K.G. Shankarnarayana

Dear Esteemed Members of IMA Karnataka State Branch,

It gives me immense pleasure to greet you all on the occasion of Kannada Rajyothsava. After addressing you as Editor of this mouthpiece of IMA Karnataka during the year 2022-23, I am here again in the capacity of Secretary of IMA Karnataka State Branch. I am grateful to senior leaders Dr. Honnegowda Sir, Dr Y C Yogananda Reddy Sir, Dr Madhusudana Kariganoor Sir, Dr S Srinivasa Sir & Dr Harisha Delanthabettu Sir for entrusting me with this opportunity to serve the cause of IMA.

I would like to congratulate IMA Shimoga for conducting 92nd Medicon 2026 under the able guidance of President IMA KSB, Dr Harisha Delanthabettu. The conference was rich in scientific content as well as a gastronomic delight showcasing the special delicacies of Malenadu. The team led by Dr Ravish K R with his colleagues Dr Vinaya Srinivas, Dr Shubrata, Dr Srikanth Hegde , Dr Kousthabha Arun , Dr Shwetha Badami and the student brigade were polite, accommodating and hospitable making everyone comfortable and at ease. Congratulations goes out to IMA Bellary for securing the honour of hosting the 93rd edition of Medicon during October 2027. I am sure they will do a wonderful job.

The new team of Office bearers of IMA Karnataka State branch has taken charge on 23rd October 2026 under the able leadership of President Dr Harisha Delanthabettu . All the Subcommittees have been formed and along with a dedicated team of Divisional Co ordinators and District Representatives we hope to continue the good work done by our predecessors.

Medical profession is facing new challenges every day with the doctors bearing the brunt of all the illnesses that plague the healthcare system. A country like ours with a huge population will definitely put a stress on any system let alone healthcare system. With huge foreign investments coming into the healthcare system it is but natural that profit becomes the main motto for those investors. At the same time because of this the small and medium healthcare establishments which are run purely by Doctors are put under a lot of regulatory and financial strain. In such a scenario medical professionals staying united is the only option to serve the needy public. The role of IMA becomes all the more important in the present day than ever before . By making the FIRE NOC simpler to implement without compromising the safety of the patients the previous office bearers led by Dr Chiniwalar V V and Dr Veerabhadraiah T A with the able support of Dr Suriraju V have done a commendable job. On behalf of the Office bearers led by Dr Harisha Delanthabettu , I hereby assure all the members that we shall work wholeheartedly for the betterment of our profession as well as to provide affordable healthcare for the general public.

Jai Hind! **Jai Karnataka!** **Long live IMA!**

Vice President's Message

Dr. Basavaraj Sajjan

Dear Esteemed Members of IMA Karnataka State Branch,

Greetings from IMA-KSB!

It gives me immense pleasure and pride to serve as the Vice-President of the Indian Medical Association, Karnataka State Branch, for the year 2026–2027, under the dynamic leadership of our beloved President, Dr. Harisha Delanthabettu.

I am delighted to work with our dedicated team, comprising Honorary Secretary Dr. Shankar Narayan K.G., Treasurer Dr. Vijayanand S., Joint Secretary Dr. Mahesh, PRO Dr. Padma Prakash, along with our respected Past Presidents, Vice-Presidents and all office bearers.

IMA-KSB continues to work actively towards strengthening our organisation through membership drives and encouraging doctors to enrol in various welfare schemes, including IMA-KSSS, IMA-KPPS and IMA-KHSH. I sincerely appreciate the efforts of all our members in promoting these initiatives.

I strongly believe that the future of IMA lies in the hands of our young doctors. I encourage more young medical professionals to actively participate in IMA activities, accept leadership responsibilities and contribute towards taking our prestigious organisation to greater heights.

The Major Objectives of IMA-KSB

1. Protection of Doctors: Safeguarding the rights, dignity, professional interests and security of medical practitioners.
2. Rural Public Health: Improving healthcare facilities and promoting better health services in rural areas.
3. Medical Education and Research: Updating our members with the latest developments in medical science and encouraging research in healthcare.
4. Eradication of Medical Quackery: Working towards eliminating unqualified medical practice and ensuring ethical and scientific healthcare.
5. Community Development: Encouraging IMA branches to adopt villages and village schools and undertake meaningful community health and welfare activities.

I also request all our esteemed members to actively participate in the upcoming IMA Karnataka State Sports Events:

- IMA Tennis Tournament: 14th and 15th November 2026 at Bagalakote.
- IMA Cricket Tournament: 4th, 5th and 6th December 2026 at Raichur.

Let us come together not only as medical professionals but also as a united family, strengthening friendship, fellowship and the spirit of sportsmanship.

I look forward to the wholehearted cooperation and active participation of every IMA member in making this year a memorable and successful one.

Together, let us strengthen IMA and serve society with dedication, commitment and compassion.

Jai Hind! **Jai Karnataka!** **Long live IMA!**

IMA Sullia: A Legacy of Service and Excellence

Established in October 1992, IMA Sullia began as a small group of 25 Life Members and has since grown into a vibrant and respected professional fraternity. The branch was founded with **Dr. K. V. Chidananda** as Founder President and **Dr. Krishne Gowda** as Founder Secretary. Together they laid a strong foundation of fellowship, professional excellence and service. The branch was inaugurated by **Dr. Somashekharaiah**, then President of IMA Karnataka State Branch, which gave it a distinguished beginning and linked it to the larger IMA fraternity.

Serving the Community

Over the years, IMA Sullia has conducted health camps, health-awareness programmes and celebrations of days of national importance, strengthening its bond with the community. During the COVID-19 pandemic, its members stood united and contributed actively to public-health awareness and community support.
IMA Sullia has also always been very active against quackery.

Leaders and Laurels

The branch has nurtured leaders who have held important positions at the state level, including Dr. K. V. Chidananda, Dr. Nandakumar, Dr. Geeta Doppa and Dr. Veena.
IMA Sullia has also brought home honours at both the state and national levels. Dr. K. V. Chidananda was conferred the Dr. Jyoti Prasad Ganguly Award at the IMA Karnataka State Awards, while Dr. Geeta Doppa received the Kanak Goel National Award for the Safe Motherhood Project.

This year, at the 92nd MEDICON, IMA Sullia bagged the Second Best Medium Small Size Award, and Dr. Aishwarya K. C. received the President's Appreciation Award

Message from Founder President IMA Sullia

MY JOURNEY IN MEDICAL PROFESSION

Looking back on my journey in medicine, I feel privileged to have served as a surgeon, teacher and administrator. My education at Government Mysore Medical College and postgraduate training in General Surgery at Stanley Medical College, Chennai, laid the foundation for a career dedicated to healing, teaching and service.

My association with AOLE and KVG Medical College & Hospital, Sullia, has been particularly fulfilling. Inspired by the vision of the late Dr. Kurunji Venkatramana Gowda, our institution has grown into a major centre of healthcare and medical education, with over 650 beds and more than 200 doctors. Being part of this remarkable journey has given me immense satisfaction.

My message to young doctors is simple: never lose your clinical touch. Artificial intelligence, robotic surgery and advanced diagnostics are transforming medicine, but careful history taking, thorough examination, sound clinical judgement and compassionate communication remain irreplaceable. Technology must complement, not replace, the human connection between doctor and patient.

IMA is the mother organisation of our medical fraternity. Even while being members of various specialty organisations, every doctor should be an active IMA member. Strength lies in numbers and unity. I encourage doctors to participate actively in IMA and benefit from welfare schemes such as IMA KPSS, IMA KSSS and KSHS, which provide valuable support to doctors and their families.

Let us embrace innovation while preserving the timeless values of integrity, compassion, service and professional dignity.

With warm wishes...

Dr. K V Chidananda
M.B.B.S., M.S., F.I.C.S., F.A.I.S., F.R.S.P.H.(London)
President, A.O.L.E. (R), Sullia

IMA SULLIA PRESIDENT'S MESSAGE

Warm Diwali greetings from IMA Sullia Branch to the entire medical fraternity. May this festive season bring hope, happiness, unity and renewed dedication to the noble spirit of service.

It is a matter of great pride and honour for our branch to sponsor this edition of IMA Focus, made even more special by our own Honorary Secretary, Dr. Geetha Doppa, serving as its Editor. We extend our heartfelt wishes to the new editorial team of 2026–27.

Our journey as a branch has been rewarding. Being recognised as the Second Best Small/Medium Branch and receiving the President's Appreciation Award are cherished achievements that inspire us to strive harder. Though rooted in a small rural town, we believe the need for a strong medical association is even greater in communities like ours.

For me, IMA holds a special place, carrying forward the legacy of my father, Dr. K. V. Chidanand, the Founder President of IMA Sullia.
I strongly believe that IMA is more than an association; it is our collective voice, professional strength and support system. In challenging times, unity is our greatest strength.

I urge every doctor, particularly our younger colleagues, to actively participate in IMA initiatives, CME programmes and welfare schemes such as IMA KPPS, IMA KSSS and KSHS, which offer valuable support and security to doctors and their families.

IMA Sullia remains committed to strengthening our fraternity and serving humanity.

Though small in numbers, strong in spirit and united in purpose!

Dr. Aishwarya K. C.

President, IMA Sullia Branch

INDIAN MEDICAL ASSOCIATION (R)
KARNATAKA STATE BRANCH

Sub Committees Under IMA-KSB for the year 2026-27

IMA KSB President Dr.Harisha Delanthabettu will be the President, Hon. State Secretary, Dr.Shankarnarayana.K.G. will be the convener and President Elect. Dr.Sarvesha Raje Urs A.S. will be the member for all the Sub-Committees of IMA-KSB for the year 2026-27.

JIGYASA 2026 – A HISTORIC MILESTONE

A FEATHER IN THE CAP OF IMA KARNATAKA

JIGYASA 2026 A HISTORIC MILESTONE AND A FEATHER IN THE CAP OF IMA KARNATAKA

A visionary initiative by IMA Karnataka for the academic, clinical and professional empowerment of future doctors.

The National Conclave of IMA-MSN National Council 2026, JIGYASA, was successfully organised on 10th and 11th October 2026 at KLE's J.N. Medical College (JNMC), KAHER, Belagavi, in collaboration with IMA-MSN Karnataka, under the aegis of IMA Karnataka State Branch.

With 700+ medical students from over 13 states, JIGYASA created an outstanding national platform for academic excellence, clinical skills, research, innovation, leadership and cultural exchange.

JIGYASA (Joint Initiative for Growth of Youth in Academics, Scholarship and Advancement) truly reflected the visionary commitment of IMA Karnataka to nurture competent, confident, ethical and socially responsible future doctors.

A UNIQUE BLEND OF LEARNING AND PRACTICAL TRAINING

Five specially designed workshop packages – Jigyasu, Sadhak, Vidwan, Visharad and Acharya – offered hands-on exposure to cardiac anatomy and dissection, suturing, artificial intelligence, medical research, photography, CPR, BLS, emergency response, communication and professional ethics.

The cardiac dissection workshop, featuring a fresh heart specially brought from Georgia, was a major attraction. Scientific sessions by eminent national and state-level faculty, national poster presentations, Ideathon, Med Trivia and interactive medico-legal activities further enriched the academic experience.

DISTINGUISHED LEADERSHIP AND SUPPORT

The inaugural ceremony was graced by Dr. Dilip Bhanushali, Immediate Past President, IMA HQs; Dr. Piyush Jain, Honorary Finance Secretary, IMA HQs; Dr. Sandeep Shrivastava, Vice-Chancellor, KAHER; Dr. Shivkumar Utture, National Chairman, IMA-MSN Standing Committee; and Dr. Yogananda Reddy, Past President, IMA KSB, among other dignitaries.

Dr. Veerabhadraiah T.A., President, IMA KSB, delivered the presidential address. Dr. Jaspalsingh Tehalia, Chairman, and Dr. Avin Alva, Coordinator, IMA-MSN Karnataka, along with the dedicated student organising team, contributed significantly to the success of the conclave.

The support of KLE Society, KAHER, JNMC, IMA HQs, IMA Karnataka and IMA-MSN Karnataka, together with the enthusiastic participation of student volunteers, made this event memorable. The cultural evening and gala dinner added further colour to the celebrations.

A VISION FOR THE NEXT GENERATION

JIGYASA 2026 demonstrated that IMA Karnataka's vision extends beyond the welfare of practising doctors to shaping the future generation of the medical profession through clinical competence, academic excellence, research, innovation, leadership and ethical values.

With participation from 13+ states and 700+ students, JIGYASA has set a new benchmark for IMA-MSN activities and established a significant milestone in the history of IMA Karnataka.

A visionary programme, a national achievement and truly a feather in the cap of IMA Karnataka!

Together, we learn. Together, we lead. Together, we shape the future of medicine.

Dr. Jaspalsingh H. Tehalia
Chairman, IMA-MSN Karnataka

Mr. Shrinidhi S.
Member National Council
Co-Convener, IMA-MSN Karnataka

Kum. Aditi K.
Convener, IMA-MSN Karnataka
