Jai Hind!

Jai Karnataka!

Long live IMA!

Secretary's Desk!

Dr. Suriraju V.

Dear Esteemed Members of IMA Karnataka State Branch,

Today, as I present my final Secretary's Report, I look back at my two-year tenure as Honorary State Secretary with immense gratitude and satisfaction. These two years have been among the most prestigious and memorable periods of my professional life. It has been a privilege to serve IMA and our medical fraternity across Karnataka.

During 2024-25, I had the opportunity to work under the leadership of Dr V.V. Chiniwalur, who travelled extensively across the State, motivating members and strengthening our branches.

The last year has been another wonderful journey working alongside our President, Dr T.A. Veerabhadraiah. His focused, disciplined, and committed approach has been inspiring. Together, we continuously worked to address members' concerns and strengthen IMA Karnataka.

One of the most satisfying achievements was our sustained effort regarding the Fire NOC issue. Along with our President and senior leaders, we repeatedly pursued the matter with the Government and senior officials.

The relief finally achieved for doctors and healthcare establishments across Karnataka remains one of the most meaningful outcomes of my tenure.

Membership strengthening was another priority. I tried my best to reach out to doctors, encourage new members, and remain accessible whenever support was required. I strongly believe that the true strength of IMA lies in its members and our unity.

During these two years, we conducted and participated in many important programmes — State Working Committee meetings at Madikeri, Raichur, IMA Land, and Koppa; World Kidney Day; World Cancer Day; World No Tobacco Day; COVID Martyrs' Day; Doctors' Day; Teachers' Day; the HBI Conference at Tumakuru; the Golf Tournament; the Somanna Memorial Badminton Tournament; scientific conferences; and several public-awareness activities.

The IMA Gadag Centenary Celebration was a particularly gratifying experience. Witnessing a branch complete 100 remarkable years, seeing its achievements, and learning how generations of doctors built and strengthened the organisation was truly inspiring. It

reinforced my belief that strong branches are the foundation of IMA.

The two Doctors' Day programmes at IMA KSB, with the participation of more than 500 doctors, were also particularly memorable.

My only regret is that I could not accompany our President on as many branch visits as I would have wished.

Attending the National IMA Conference at Ahmedabad and receiving the National IMA President's Appreciation Award was another deeply gratifying moment. I consider it not merely an individual recognition, but an appreciation of the collective work of IMA Karnataka and the support of all our members.

There were many challenges, and much more remains to be achieved. I do not know whether I have done complete justice to this prestigious responsibility, but I can confidently say that I gave my time, energy, commitment, and best efforts to serve IMA.

As I complete my tenure, I leave with the satisfaction that we strengthened membership, conducted meaningful activities, addressed important professional issues, and tried to make IMA more responsive to its members.

Positions and tenures may change, but my commitment to IMA will continue.

I sincerely thank our President, Dr T.A. Veerabhadraiah, Past Presidents, Vice Presidents, senior leaders, Joint Secretary, State Working Committee members, branch

Presidents and Secretaries, committee chairpersons, and every member of IMA Karnataka for their trust, guidance, and support.

My sincere thanks to Dr Srinivasa S. for his support in helping me take up this responsibility.

A special thanks to IMA Yelahanka, our Treasurer Dr Shankarnarayan, Dr Y.M. Venkatesh, and Dr Sharanappa for their support in my role in IMA.

I also thank Dr Madhusudhan Kariganur, Dr Honnegouda, Dr Yoganand Reddy, Dr Shivakumar Lakkol, Dr Pavan Patil, and all our dynamic IMA leaders from whom I have learned immensely.

My heartfelt thanks to our office team — Ashwathnarayan, Ravi, Venkatesh, Puttaswamy, and Damodar — for their dedicated support.

Last but not least, my deepest gratitude goes to my wife, K.S. Indrajya, my children, and the entire Regal Hospital team for their constant support, understanding, and encouragement, which enabled me to devote my time and energy to IMA during these two years.

Whatever we achieved was possible because we worked together as one team.

I carry with me not merely the memories of holding an office, but the satisfaction of having been given an opportunity to serve.

Give more. Expect less. Keep trying. Keep serving.

Thank you, IMA Karnataka.

Vice President's Message !

Dr. Mohan Appaji

Dear esteemed members of IMA- Karnataka State.

"Greetings from IMA-KSB"

It was a great experience and it was a proud moment to be a part of I.M.A. Karnataka State Branch as a Senior Vice President IMA – KSB (2025-26). Thank full to my home branch, who always supported me in all our IMA KSB activities, who hosted 2nd IMA Golf Tournament at MDGC Madikeri which was very successful and also hosted S.W.C Meeting along with District and Divisional coordination meet on March 1st 2026.

IMA-KSB was actively involved in I.M.A Membership drive and many were

motivated to take up membership of IMA-KPPS, IMA KSSS and IMA KSHS Schemes, during our visit to local branches along with our President Shri Veerabhadraiah T.A. and team. As my term as V.P coming to an end, I sincerely thank the entire I.M.A family for their support and trust extended to me during this term 2025-26.

I wish the organization continued growth and success in the years ahead.

I wish more young doctors will actively come forward and take up responsibilities in IMA and carry the organization forward.

Jai Hind!

Jai Karnataka!

Long live IMA!
